

Dispute Breaks On Patronage At Courthouse

Old Grievances Aired,
Epithets Are Hurlled
Before Audience

"Turns!"
"Liar!"
Any number of less uncoth epithets—

One threatened fist fight—
These were the ingredients of a meeting of the board of supervisors with the county executive Tuesday morning when the vials of hatred overflowed in the expensive courthouse annex meeting room.

CITIZEN DEMANDS HALT
While county politics sunk to an all time low in a battle of abusive language, a halt was called by a citizen in the small audience, Fred Erdman, member of the Democratic Central Committee and resident of Redwood City.

"There are ladies present," he warned. "It is absolutely ridiculous to use the language used here today."

It started when Executive Frederick Peterson addressed a letter

NEW STAR TEAM AT SEQUOIA

Claudette Colbert and James Stewart in "It's a Wonderful World," which plays at the Fox Sequoia Theater this Sunday, Monday and Tuesday on a double bill with "On Trial," starring John Littel.

to the board demanding power to hire and fire janitors in the courthouse and annex, threatening that if the power were withheld he would refuse to issue them a single order.

DELAY OPPOSED
Chairman H. H. Smith attempted to delay action for one week. Peterson demanded immediate action, threatening to place responsibility for keeping the janitors at work on the supervisors.

"Very well," said Smith, "I will withdraw the suggestion. Thinking of the janitors, I am not in favor of putting any one under the county executive unless the charter demands it. I would not have the poor men around the courthouse cringing before the executive if they failed to satisfy his every whim."

"I have never in my life had such unpleasant experiences as I have had since the present county executive took office. The executive is disrespectful, he insults us, and he makes smart-aleck remarks that do not benefit anyone in his position."

"He had a row with the engineer. What was it about? Patronage! He had a row with the district attorney, and what was that about? Patronage!"

PETERSON INTERRUPTS
Peterson, his face flushed with anger, jumped to his feet to interrupt the chairman.

"You're talking through your hat, you're making a grandstand play," he challenged, as he started his personal expose of grievances.

"You hired three janitors," he said. "Smith got one, Hatch got one, and Lynch got one."

Turning to the chairman, he charged that Smith had gone to Engineer M. A. Grant to arrange the discharge of Road Foreman John Fahey of Daly City.

BRANDED AS LIE
He was interrupted as both Grant and Smith shouted: "That's a lie!"

Grant took the floor to insist that Smith had no part in Fahey's discharge.

"I discharged Fahey because he was an incompetent road foreman," Grant declared. "Smith never men-

Junk Dealer Opens Redwood City Store

Long an operator in San Francisco, U. K. Popik has moved "down the Peninsula" to Redwood City where he has established a junk dealership at 715 Main St.

There in a remodeled building, Popik is prepared to "buy anything" and "sell everything," he declares.

Rags, papers, metals, iron, used furniture, plumbing supplies, electrical fixtures—everything and anything is handled by Popik. A delivery and call-for service is maintained. Telephone number of the firm is 2850.

anything to do anyway."

"I wouldn't expect anything

PETERSON STORMED
different from you. A year ago

I said a high school boy could handle your job. Now I say a grammar school boy," he shouted.

Grant took the floor to charge that Peterson endeavored to force him to keep T. J. Morrison of Burlingame as county garage foreman.

STARTS TO LEAVE

Peterson started to leave the room but returned when Smith taunted him with trying to run out when the going became rough.

Smith challenged that Peterson had endeavored to get control of the county garage through a ruling from the district attorney and would have made a political football of it.

RETURNS TO JANITORS

The argument returned to the original theme, the courthouse janitors.

"I would have hired the same men myself," Peterson offered, admitting that E. J. Halerow, Smith appointee to the post of elevator operator, had won Peterson "plenty of votes" in Daly City.

"I am a gentleman," declared Peterson, restraining himself from more heated repartee.

"I wish I could think so," replied Smith.

That touched off the most exciting moment of the meeting. Red of face, Peterson stalked toward the door.

"I'm through talking to a bunch of bums!" he shouted.

POOLE'S IRE AROUSED

Supervisor John Poole, who had taken no part in the discussion up to that point, was on his feet and angry. He started after Peterson, shaking his fist.

"I'm no bum! You take that back!" he demanded.

Peterson returned, apologized, said he meant "kids," not "bums," and with partial success endeavored to shake Poole by the hand in a gesture of reconciliation.

The session quieted down to a relatively calm discussion of a proposed plumbing ordinance, which Smith accused Peterson of trying to ram down the county's throat without proper consideration, charging it would make the majority of home owners law breakers.

Smith said the ordinance would be submitted to a conference of

MOTORING SAFETY IS DAILY FEATURE AT FAIR

In a spectacular Goodyear LifeGuard free safety show, now taking place three times daily at the San Francisco Exposition on Treasure Island, tires on a car traveling at 65 miles an hour are dynamited to thrill the crowds. Inset: Paul Faalkner, driver of the test car, at left, shows how he ripped LifeGuard's outer tube by hurling the car over eight-inch railroad spikes in another phase of the show. Left to right, Irv Wills, Goodyear master of ceremonies for show, Victor Holt, Goodyear LifeGuard Division manager and F. M. Sandusky, Exposition exhibits chief, inspect one of the LifeGuard two-ply reserve tires that turned a blowout into a slow leak, allowing car and occupants to come to a straight, safe stop. Other picture, view of the test run track where up to May 15, 43,409 people had witnessed the event.

Chevrolet Sales Show Huge Gain

Dealers' retail sales of new Chevrolet cars and trucks in the first 10 days of May totaled 23,248 units, an increase of 150% over the corresponding period in April, and of 6142 units, or 35.9 per cent, over the same 10 days last year. The announcement was made this week at company headquarters at Detroit.

The period brought Chevrolet's sales for the year to date to 291,765 units, the records indicate. This is 70,212 units more than had been sold then in 1938, the percentage of increase being 31.7.

Used car sales in the first 10 days of May were 46,663 units, the report showed. This represents a gain of 5172 units over the first 10 days of April, and of 10,483 units over the first 10 days of May a year ago.

Chevrolet's truck sales, for the year to date, have gained 32.8 per cent. Chevrolet is leading the field with 64,322 sales, as compared with 48,409 at this time one year ago. Extension of the truck line, and addition of cab-over-engine models, are credited as factors in the gain.

Victim of Coastside Mishap Passes Away

SAN MATEO, June 14—Walter E. Brosius, 52, Wasco lunch wagon driver, died last night at Community Hospital of burns incurred May 27 when his machine turned over 12 miles south of Half Moon Bay on Ocean Shore Hwy. Brosius was burned when his truck's gas tank used for cooking exploded and set fire to the vehicle. The body was taken to the William F. Crosby Mortuary. No relatives are known. Brosius' death was the 35th of the year from traffic accidents in San Mateo County. Last year at this time there had been 49.

Lutje Pleads Guilty To Arson Charges

Clyde Lutje, former Redwood City "call" fireman accused of setting a series of fires June 3 to earn the \$1 fee he received for answering each alarm, pleaded guilty to one count of arson and one of attempted arson in justice court Wednesday. Judge E. I. McAuliffe certified Lutje to the superior court for sentence. Both offenses carry penitentiary penalties. Penalty for arson is one to three years, for attempted arson one to two years or a fine of \$1000.

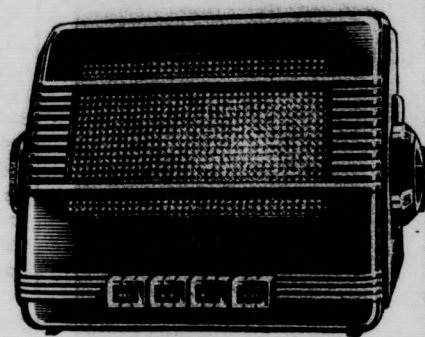

Lutje was represented by Atty. George P. Larrouy.

Murder Victim Believed Thief From Portland

SAN MATEO, June 13—Explanation of the link between an unidentified man found murdered in South San Francisco yesterday and Emil L. Johnson of Baker, Ore., whose identification card the body carried, had been obtained today, but investigating officers still had not determined when and where the man was beaten to death.

Coroner William F. Crosby's office reported the chief of police of Baker had contacted Mrs. Thomas L. Turner, sister of Johnson, who reported her brother's clothing had been stolen from a Portland, Ore., hotel recently. It is believed the dead man had stolen the clothing, taken the card and other possessions from it, and sold the clothes.

Crosby's office said descriptions indicated Johnson was "about half the size" of the murdered man. The brutally-beaten body was found yesterday in a side-tracked railroad refrigerator car which had been routed to South San Francisco from Sacramento, arriving June 2. Because of similarity in the killings, some investigators expressed belief that the man found in South San Francisco might have been killed by the same unknown assailant who recently beat three itinerants to death in Stockton.

South San Francisco police today suggested that the man might have been placed in the car after he was killed. They were certain the slaying did not occur in South San Francisco.

An ordinance fixing license fees for circuses and side shows was adopted. The ordinance, revised since the board's last meeting, now

MENLO PARK NEWS NOTES

T. A. CONNOLLY, BISHOP
MENLO PARK, June 16—Father Thomas A. Connolly, who has been appointed by Pope Pius XII a bishop of the San Francisco diocese to assist Archbishop J. J. Mitre, is well known in Menlo Park. He was ordained in San Francisco in 1926, after a preparation of 11 years at St. Patrick's Seminary. Last January Father Connolly was appointed rector of Mission Dolores Church, succeeding the late Father John Sullivan, whose pupil he was at the seminary many years ago. The new bishop is only 39 years old and is among the youngest priests to be appointed to that position in the United States.

Frank Mansueto passed away in San Jose last Saturday, having suffered a paralytic stroke recently. The deceased resided in Menlo Park for many years. He was well known and highly respected. He is survived by a wife and daughter.

Many business houses are locating on Santa Cruz Ave. and it is safe to predict that in a few years that street will be the business center of Menlo Park. The crowded condition of the highway makes this possible. Over 20 years ago the late W. J. Murray predicted this. His dream is coming true.

Captain Brady, a retired officer of the San Francisco Police Department, is here on a visit with his sister, Mrs. E. Kelly. Brady retired recently after 40 years in the department where he earned a splendid reputation for bravery and honesty.

The Safeway Stores are erecting a building on Santa Cruz Ave. The five-year lease of the company's store in the Maloney building will expire shortly. The new policy of the big concern is to own its own stores wherever possible.

Mr. and Mrs. J. B. Lynch are here on a short vacation from Reno. Mr. Lynch is the superintendent of grounds and purchasing agent for the University of Nevada, a position he has held for 25 years.

Sister Mary Catherine Patrice and Sister Mary Alphonsine of Dubuque, Iowa, are here on a visit with Mr. and Mrs. P. Kearney. Before becoming a religious sister, Sister Patrice was Miss Julia Kearney and for some time was a teacher in the local school department.

At a meeting of the city council Tuesday evening a contract for \$900 was awarded to H. F. Sino and John Morey for the construction of a rest room at the recreation grounds. Morey is to do the cement work. The property, consisting of nine acres, was acquired by the city last February for \$7000.

Mrs. Lester Curtis, formerly Lillian Raach, is here from Vancouver to spend the Summer. Before leaving, Mrs. Curtis had the pleasure of shaking hands with Queen Elizabeth, whom she says is beautiful and gracious. She received a pleasant bow from King George.

Menlo Parlor Native Daughters of the Golden West are giving a fashion show by the Clothes Line Menlo Park and the Follies of 1939 by the San Jose Players of Vendome Parlor NDGW in Central School Thursday evening, June 29. Admission will be 25 cents.

Mr. and Mrs. Charles Cleveland of Montana visited their nephews, Wayne and Oscar Lindquist, this week. They will spend several days at Treasure Island and will visit Yosemite Valley before returning to their home. They made the trip by automobile.

Menlo Park American Legion Auxiliary was well represented at the 26th District meeting in San Mateo Friday night when "Dept. Pres. Florence Chess dedicated the district colors. The following were present: Margerite Blanchard, Isabelle Lindquist, Ethel Whitney, Dora Devol, Clarissa Ross, Ethel French and Elizabeth Lyon. During the ceremonies Isabelle Lindquist sang "God Bless America," accompanied by Marion Reed.

'Excursion Rates' Offered Motorists

Motorists who can make their own schedules, come and go as and when they please, and control their means of transportation are getting lots more pleasure out of trips to the World's Fair this year than their fellow-travelers who have been depending on regularly-routed transportation, according to reports from many Redwood City people.

Reports coming in daily to Roy Bissell at Broadway and Jefferson indicate that a private motorcar is not a hindrance to enjoying the World's Fair on Treasure Island but has proved to be a great convenience.

"Many motorists tell me that, besides the convenience in getting to and from the fair, their cars are very useful as a place to rest and refresh themselves after hours of walking and sightseeing. Several have told me that they carried shoes (for obvious reasons)," said Bissell, "and from my own experience that is a very wise precaution."

"Of course, excursion rates to the two world's fairs and for vacations offered by the mass transportation lines are attractive and the thought occurred to me that excursion rates might be offered to motorists driving their own cars, as well."

"For a little time, therefore, excursion rates have been put into effect on the General tires in our line, so that Redwood City motorists may make the trip to either or both fairs and their vacation trip, too, economically as well as safely and comfortably. Of course, the rates won't last as long as the fair does but long enough to enable motorists to get new rubber on their cars, at the opening of the hot, Summer driving season, when tires get their most severe tests."

Nearly 3000 miles of khaki are being woven in England to clothe new soldiers.

'Personality Ads' Continue in Papers

Continuing its popular series of "personality" advertisements for Chesterfield cigarettes, Liggett and Myers Tobacco Co. is releasing its Summer series to newspapers nationally. The first advertisement appeared this week, and among the stars of the new campaign are such well-known celebrities as Joan Blondell, Melvyn Douglas, Gale Page, and the Lane Sisters of the screen, Albert Spalding the violinist, Johnny Vander Meer, big league pitcher, and others.

A new Chesterfield radio program, featuring Fred Waring and his original Pennsylvanians, begins June 19, broadcasting five nights a week from Monday to Friday, over the coast-to-coast network of the National Broadcasting Co. The popular Paul Whiteman broadcasts for Chesterfield continue every Wednesday evening with the Columbia Broadcasting System, with Joan Edwards, Clark Dennis and the Modernaires.

Rockhold Takes New Post in Garage Here

Appointment of Charles E. (Rocky) Rockhold of Northumberland Ave., Redwood City, as service manager for West Bay Motors Inc. was announced here by Ferris Miles and William M. Werder, owners. Rockhold, well-known sportsman, has been in garage work in Redwood City for a number of years.

In taking a position with the Dodge-Plymouth dealer, Rockhold takes charge of one of the finest service departments possessed by a Peninsula garage. Equipped to do repairing on all makes of automobiles, the department guarantees complete satisfaction to customers, according to the proprietors.

Miles, former Palo Alto garage man, and Werder, long-time Redwood City resident, vice president of the chamber of commerce and president-elect of the Lions Club, recently took over the West Bay Motors Inc. from A. D. Sgarlatto. Werder is continuing his insurance business, Miles having charge of sales.

"Don't Pay Me One Penny Until You Have Worn My Plates for 30 Days"

No Money Down

Dr. Campbell prefers that you see and wear your plates before you pay for them by using his no money down easy payment plan. Dr. Campbell has made hundreds of plates without one penny down, and finds that patients are delighted with this policy as most people like to see and wear their plates before paying. There is no extra charge for credit, same price as cash.

BAD DREAMS IRRITABLE BROKEN SLEEP ITCHY NOSE POOR APPETITE HIDGETING

These signs may mean large round worms. Yes, Mother, it is deplorable, but even your usual good care and the cleanliness of your home may not wholly protect your children from infection by large round worms, which are not at all uncommon even in these enlightened days. Flies, dogs, uncooked vegetables, fruit, contaminated water, dirt, etc., may carry the infection.

Fortunately, though, the signs may be recognized by the observant mother, for children having large round worms may be restless, irritable, fretful or nervous. Other signs may be broken sleep, poor appetite, irregular bowels, fidgeting and nose picking. What should be done? Ask your druggist. He'll say Jayne's Vermifuge.

It is mild, mint flavored, and requires no dieting or starving. Jayne's Vermifuge expels large round worms, and the poor appetite and digestion caused by these worms will be improved. All drug stores, Dr. J. Jayne & Son, Inc., Philadelphia.

JAYNE'S VERMIFUGE

NOTICE OF REFEREE'S SALE
OF REAL PROPERTY IN
PARTITION
No. 286558—Dept. 8

IN THE SUPERIOR COURT OF
THE STATE OF CALIFORNIA,
IN AND FOR THE CITY AND
COUNTY OF SAN FRANCISCO.

DON CARLOS BARRETT,
Plaintiff, vs. BELLE ALLISON,
ROBERT E. ALLISON, P. M. AL-
LISON, and J. B. ALLISON, and
also all persons unknown who
have, or claim, any interest in or
lien upon the property hereinafter
described, Defendants.

NOTICE IS HEREBY GIVEN
that in pursuance of and under
and by virtue of that certain Interlocu-
tory Judgment and Decree and or-
der of sale made by the above-
entitled Court, in the above-en-
titled matter, dated June 7, 1939,
and filed with the Clerk of the
above-entitled Court on the said
7th day of June, 1939, and by the
terms of which said judgment and
decree the undersigned, GEO
LOVEJOY, was appointed sole
referee in partition of the property
hereinafter described, the under-
signed, duly appointed, qualified
and acting referee aforesaid, will
on or after the third day of July,
1939, sell, at private sale, to the
highest and best bidder, upon the
terms hereinafter mentioned, and
subject to confirmation by the
above-entitled Court, all the here-
inafter described real property sit-
uate, lying and being in the County
of San Mateo, State of California,
and also all right, title and inter-
est therein of each of the parties
thereto in the above-entitled ac-
tion; said lot, piece or parcel of
land, situate, lying and being in
the County of San Mateo, State
of California, being more particu-
larly described as follows, to wit:

COMMENCING at a point on
the Northern line of Fairview
Avenue, distant thereon 729.30
feet Easterly from the point of
intersection of the Easterly line
of Atherton Avenue and said
Northern line of Fairview Ave-
nue; running thence Easterly
and along said Northern line
of Fairview Avenue 326.70 feet;

erly 400 feet; thence at right
angles Westerly 326.70 feet;
thence at right angles Southerly
400 feet to the point of com-
mencement, which said property
is the Easterly one-half of Lot
13, front and back measure-
ments, and all of Lot 12 as de-
scribed on a map entitled "Ath-
erton Acres, San Mateo County,
California," which map was
filed in the office of the County
Recorder of said San Mateo
County, State of California, on
May 12, 1920, in Volume 10 of
Maps at page 33.

The terms and conditions of said
sale are as follows: Said sale will
be made for cash, lawful money
of the United States of America,
ten per cent (10%) of the purchase
price to be paid upon acceptance
of bid, and the balance thereof to

Convent In M. P. Graduates Class

MENLO PARK, June 12—Cath-
olic Monsignor Joseph M. Glea-
son of Oakland, former pastor of
the Palo Alto Catholic Church,
addressed the graduating class at
the Convent of Sacred Heart in
Menlo Park last week, congrat-
ulating the outgoing seniors on
their brilliant scholarship and their
maintenance of the school's tradi-
tions.

He told them that those re-
sponsible for their education and
the Alumnae Association of the
school now expected them to ful-
fill "the high hope their present
achievement has inspired."

Those who received diplomas
were Betty Barnes, Joan De Bene-
detti, Amalia Cesar, Lorraine
Costello, Virginia Anne Doty,
Marilyn Edwards, Jacqueline Em-
eraud, Agnes Frawley, Gloria
Kelly, June Omizzolo, Rosita Pel-
las, Sally Robinson and Mary
Whittle.

Distinction cum laude was ac-
cording to Miss Costello, Miss Doty
and Miss Frawley. The program
included a tableau representing
Christ giving the keys to St.
Peter, music and a greeting to the
reverend guests by Miss Doty. Tak-
ing part in the ceremonies with
Monsignor Gleason were the Rev.
Father Barry of San Francisco
and Fathers Thomas McKeon and
Patrick Lacey of Menlo Park.

DONALD W. MONTEITH DIES
SAN MATEO, June 13—Funeral
services were held here today
for Donald W. Monteith, 49, in-
surance broker, who died Sunday
after a several months' illness.
He leaves his wife and two chil-
dren, one of them Peter Monteith,
newspaper sports writer.

be paid on confirmation of said

Bayshore Widening Route Is Altered

Property owners affected by new
setbacks proposed for Bayshore
Hwy. through Redwood City will
be asked to appear at the next
meeting of the city planning com-
mission July 10 to view revised
plans for the route as presented

to the planners Monday night,
Chairman Henry Witte said.
The plans as presented by a
State Highway Commission repre-
sentative are on file at the office
of City Manager C. L. Dimmitt
where they may be seen. They

switch the realignment from the
west to the east side of the
thoroughfare, Witte explained.
The July 10 meeting will be only
a preliminary hearing, the chair-
man said.

Visitors to Crater Lake National
Park in Oregon, increased 28 per
cent in 1938.

COME AND SEE Your WORLD'S FAIR

COURT OF THE CALIFORNIA BUILDING ON TREASURE ISLAND

• The citizens of California are by far the largest exhibitors at the Golden Gate International Exposition. Your participation in this magnificent pageant represents an outlay of more than six million dollars. In the sixteen State and Counties buildings you will find displayed all the wonders, the resources and the culture of mighty California.

• Beauty and scope caused Governor Culbert L. Olson to say: "California is so vast and so magnificent many of our citizens never realize that all of the world's wonders are within our own borders. Here, within walking distance, we can see and appreciate the full bounty nature gave us. It is truly inspiring."

• Complete to the last detail, your World's Fair is conceded to be the greatest in history. It awaits your approval.

Regulation Of Signs Sought

MENLO PARK, June 14—Before Menlo Park's city councilmen today was a suggested new billboard ordinance for Menlo Park.

Presented to the council at its meeting last night, the ordinance, as prepared by City Atty. James O'Keefe Jr., would provide for (1) a higher license fee; (2) more stringent regulations against signs; (3) revision of the setback line for billboards.

Action was withheld pending a study by councilmen of the attorney's report.

Four bids calling for immediate construction of comfort stations at the Menlo Park Recreation playground were awarded.

Ten contractors submitted bids and the four lowest for carpentry, plastering, cement work and plumbing were let.

The Brand Plumbing Co. of Redwood City won the plumbing contract with a bid of \$268; the plastering and carpentry contracts were awarded F. W. Sino for \$535; and the cement contract was given to John Morey, who submitted a \$100 bid. The money for construction had been set aside previously from the unbudgeted reserve in the city's fund.

AUDIT ORDERED
The annual audit of the city's tax collections, delinquent taxes, license fees, as well as a breakdown into the city's financial affairs complete with statistical charts was suggested by Finance Commissioner Frank Beeton, who is a public accountant and chairman of the finance committee.

The council accepted the suggestion, and appropriated \$125 for the complete annual audit of the books.

Police Chief Foster Andrews submitted a report requested of him in regard to speeding on residential streets in Menlo Park, with particular emphasis on Cotton St.

"We can of course place signs on this street as well as others. However in my estimation it would do no good. Signs are disregarded, and soon they are shot full of holes. Speeding seems to be getting worse," he reported.

Police Commissioner Henry Carroll issued a blanket order, as a result of the report, that officers be assigned to special cruising duty in these dangerous areas.

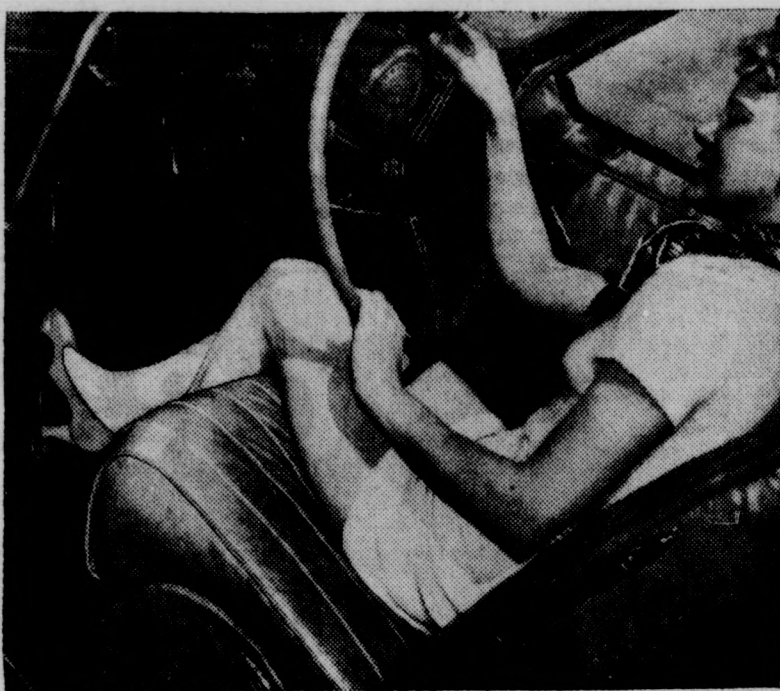

"Incidentally, one of the worst offenders in the matter of speed is the school bus," said Councilman Harry J. Lusk.

"We'll play no favorites," Carroll replied.

TO CONTACT COMMISSION
The council authorized Councilman Beeton to appear before the State Highway Commission in regard to the funds from the state quarter cent gas tax fund to municipalities.

"This fund is being held in es-

HEELS USED IN GASOLINE TEST

Muriel Barr, one of the featured showgirls in Earl Carroll's latest review, posing to show how Richfield engineers used French heels as a test in developing a new HI-Octane gasoline. It was found that high heels prevented a full opening of the throttle resulting in loss of power. Through this test, a new gasoline was developed which reacts immediately to a part open throttle.

P. A. Rejects Library Bids, Seeks PWA Aid

PALO ALTO, June 14—After rejecting all bids recently submitted for construction of the proposed wing for the Palo Alto Public Library, the city council today was considering the possibility of securing PWA aid for the project, for which Peter Sorensen of Redwood City bid \$14,969—lowest offer made. The council referred to its works and library committees the question of making the library addition a PWA project. It was pointed out by the board of works that federal officials recently asked if the city is still interested in doing the work as a PWA job. The suggestion was made that the project be revised to include the proposed easterly wing, as well as the west-erly.

crow for us by the state. The fund is now owed \$2063, and the total fund is \$5303.15. All this is because some former engineer—if he may be called that—did not get the sanction of the state for some work which was done on Valparaiso Ave.," said Carroll.

If the \$2063 is verified, and transferred to the street fund from the unbudgeted balance, then the state will release its share which has been held in abeyance, and in the future quarter cent tax revenue will come in at regular intervals, the council was informed.

"It's simply a question of book-keeping," said City Attorney O'Keefe.

Beeton also will ask the state highway commission to designate Middle Ave., the future approach to the city park, as a street of major importance.

DAY AT S. F. EXPOSITION PROVES HUGE SUCCESS

San Mateo County matched its color, beauty and enthusiasm against the loveliness of Treasure Island Sunday and they merged into a thrill-packed day.

They left thousands of out-of-county fairgoers with the impression that San Mateo County must be a mighty fine place to put on such a good show. And the 7500 or more Peninsulaers who took part in this county's day at the World's Fair came away tired but happy, content over a job well done.

From the start of the day's activities, when attractive Peninsula coeds distributed colorful "straw" flowers to persons arriving at the island, until the closing moments when foot-weary dancers closed the celebration at the California Building Ballroom, the program went off without a hitch.

FLAG RAISING

It reached its high point at mid-day when the gaily clad school bands, and veterans and other patriotic organizations massed in front of the California Building on the border of the lake in the center of the Court of Nations, and assisted in the raising of the national, state and county flags with impressive ceremonies that climaxed four parades.

With high school bands from Burlingame, San Mateo, Redwood City and South San Fran-

cisco supplying the music, the strains of the Star-Spangled Banner rang out. Then Old Glory was hoisted. Perhaps the only sour note in the day was contributed by the Daily City bugler who played a false tone while the Golden Bear Flag and then San Mateo County's new banner, were raised in turn.

As Wilton Johnson and John Cook, of Menlo Park, members of Sons of the Legion, hoisted the San Mateo County flag, white with a brown and green replica of the

WINS RELEASE FROM JAIL

John Corvey, Redwood City, charged with failure to support his minor child, has been released from jail on probation for one year. Judge A. R. Cotton ruled that Corvey must pay \$15 monthly for the support of the child.

county's official seal, it was the first time the new flag had been flown, and it was greeted with cheers by the large crowd assembled to watch the colorful ceremonies.

Even newsmen accustomed to "special" days were impressed with this county's program and with the innovation of having four parades start at different points on the island and then meet for the flag-raising ceremony.

Purchase Seen By City During This Summer

Possibility that a site for development of the much-discussed Redwood City Recreation Center would be purchased this summer arose Tuesday at a meeting of the city parks and recreation commission, attended by five members of the city council.

A committee of commission members, which has been investigating possible sites for several months, presented a recommendation, adopted for presentation to the city council next Monday night, that immediate plans be laid to purchase a 20-acre portion of the O'Dea Tract, located at the end of Broadway and bordering Bayshore Hwy.

The portion of land decided upon by the committee as the only reasonable and available site within the reach of the city's immediate residential area occupies what was once the Redwood City airport. It is bordered on the west by Bay Rd., on the north by Chestnut St.

SUGGESTS PRIVATE AID
Also presented as a possible plan for the site's purchase, at an unrevealed price which is claimed by authorities to be exceedingly low, was a proposal by Charles Holt, subdivision developer. Holt suggested that the city might be aided by private citizens in underwriting the purchase. The complete plan will be brought before the council for more definite action, backed by the recreation commission's recommendation for the purchase, Monday night.

A committee of William M. (Bill) Verder and Walt Peterson, members of the commission, was delegated to confer with the port commission on a plan to bring the yacht harbor under the control of the recreation group.

The yacht harbor now is controlled by the port board, under a provision in the city charter, but the opinion was expressed that the facility could be taken under the wing of the recreation commission for greater development within the bounds of the charter.

The commission unanimously

'Baldies' Doomed Before Vacation

That it's better to have a safe vacation than to gamble with smooth tires, is agreed by this young couple. And the chances are that they'll replace their "bald-pated" tires at Western Auto, declares the local manager, for the firm's current Double Trade-In Tire Sale offers extra savings by giving twice the usual allowance on old tires traded in during the event.

adopted a recommendation to be presented to the Works Progress Administration Recreation Division Office here that Lee Alderman, transferred to San Mateo last Friday, be returned as soon as possible. Alderman, here a year before his shift to San Mateo, was supported by a petition of the community's children asking his return.

ALDERMAN RETURN ASKED
Alfred Morton, city recreation director; Roger Walsh, superintendent of parks, and City Manager Charles L. Dimmitt were named to meet with Arthur Ryan, chief of the Peninsula division of WPA, and Cecil George, head of the Ninth Area, Northern California, tomorrow to discuss the possibility of returning Alderman to his post here.

The commission accepted the resignation of Mrs. Louis A. McAttee, representative of the Redwood City Woman's Club on the commission, upon official receipt of her letter explaining that she has moved with her family to Pleasanton, where Mr. McAttee's business has taken him. No new appointment has yet been made by Dimmitt.

FIREWORKS DISPLAY
Morton's plan for a supervised day of fireworks-shooting by the community's youngsters at the yacht harbor July 4 was ordered taken before the city council Monday night for final approval or re-

Michael Howard Dies After Long Illness

Funeral services were conducted at 10 o'clock Tuesday for Michael Howard, resident of Woodside and San Francisco. He was dean of San Francisco's manufacturing agents and was 86. He died Saturday after a six months' illness.

Mr. Howard had lived in Woodside 45 years. He was a member of Council 615 and St. Francis Assembly, Knights of Columbus. He leaves a brother, Patrick J. Howard of Oakland.

An opinion of the city attorney on possible liability of the city in the event of injury to any youngster is awaited.

Morton was directed to confer with Dimmitt on proposals for additional bleachers at Hawes Park and for the start of work on the new temporary softball field at Broadway and Chestnut St., and with members of the uniformed services and the Veteran Firemen's Association of the city in regard to the dedication of Fleishman Playground. The play area is being lighted and improved through contributions of the services and the association as a memorial to Her first uniformed officer in Redwood man Fleishman, who became the City's service ever to lose his life while in pursuit of his duty.

Peterson Asks County Install Civil Service

Civil service for county employees was the plan advanced here by County Executive Frederick Peterson to prevent recurrence of such a patronage row as that which created an unprecedented scene at the meeting of the board of supervisors Tuesday.

The dispute between Peterson and four members of the board, Supervisor Fred E. Beer being away on a fishing trip, started over the right to hire and fire janitors employed at the courthouse and annex. Peterson maintained that he was charged by the charter with the responsibility for maintaining county buildings, and demanded the right to hire and fire employees.

Chairman H. H. Smith declared he would not be in favor of placing any personnel under Peterson to "eringe" before the county executive.

FIRST STEPS TAKEN
As an aftermath of the row, in which the short, ugly word "liar" was used freely and during which Peterson referred to the board members as "bums" to incur the wrath of Supervisor John Poole, Peterson took the first step toward a merit system which would eliminate patronage from county politics.

In a prepared statement to the press, he said he had been constantly besieged by applications for positions for county jobs.

"I have come to the conclusion that it is wise and proper that a committee of five citizens should be appointed for the purpose of evolving a method for the employment of all county employees; this employment to be based upon efficiency and proper qualifications for each individual applicant and to apply to each department of the county government," the statement read. "The idea being to eliminate the so-called 'spoils' system of political preference of employment."

The executive said that his committee should recommend a system to embrace the entire county to select county employees on merit rather than political favoritism.

WOULD NAME COMMITTEE
"Upon receipt of the report of the committee, to be appointed by me, I would advise and suggest that the recommendation of said committee be placed before the people of San Mateo County to be voted upon at the next election," the statement concluded.

Peterson said he would appoint the committee in a day or two.

Under the federal farm program a farmer may earn \$3 an acre by planting and turning under winter cover crops.

Committees Work On Park Dedication

Committeemen from the Friendly Acres and North Fair Oaks improvement clubs are busy these days planning for the July 4 dedication of Flood Park, located on the old flood estate in southern San Mateo County.

B. J. Smith, in charge of publicity for the event, said that each club was contributing \$50 to aid in purchase of refreshments and for other expenses of the day, expected to be a gala event.

A basket lunch will be enjoyed at noon. Sports, competitive events,

\$1500 Bond Fixed For Holdup Suspect

Carl W. Barnett, the Washington laborer who tried unsuccessfully to hold up a Redwood City service station Sunday night and was arrested when he sought lodging at the Palo Alto police station, was arraigned on charges of attempted robbery before Judge Edward I. McAuliffe on Tuesday. Preliminary hearing was set for Friday. Barnett was remanded to jail in lieu of \$1500 cash bail.

dancing and other entertainment are on the tentative program for the day.

Wards Deep Well JET PUMP 79⁴⁵

- Dependable
- Economical
- Long Life
- Quiet Operation

All the advantages of economy, dependability and long life because it operates on a simple principle! There are no mechanical working parts in the well! Part of the water from the centrifugal pump is forced under pressure back down into the well and through the jet. This creates a strong suction which draws water from the well and forces it up the suction pipe to be discharged under pressure! Pump has only one moving part—a bronze impeller! Ideal for sandy water! High efficiency—lower power bills. Pump has no bearings to use oil or grease! Fully automatic. Sizes from 1/4 to 1 1/2 H. P. Come in and see it today!

Cooking Expert Here Next Week

Latest and most improved cooking methods will be demonstrated at the Redwood City Hardware Store next Monday, Tuesday and

KATHERYNE WELCH

Wednesday from 10 a.m. to 4 p.m. daily by Katherine Welch, well-known home economist and cooking expert.

Mrs. Welch will demonstrate extra-low-temperature oven cooking, which saves meat shrinkage and retains all nourishment. She will also demonstrate controlled boiling for waterless and semi-waterless cooking; and the latest method of broiling, in which meat is placed closer to the flame, and seared on both sides at once, to prevent the escaping of any juices.

In addition to the improvements in cookery which result from the use of the Wedgewood Gas Range, housewives are vitally interested in the fact that true low-temperature oven cooking, and Wedgewood waterless cooking save on both food and fuel; and in the fact that the Wedgewood has many devices for safety and convenience. One of these is the automatic lighter on the oven, which operates from the oven control, making the use of matches unnecessary, and avoiding the danger of any sudden flare of gas.

Experiences on 'Sub' Told to Exchangites

Clement Baume, retired U. S. navy lieutenant, told his fellow Exchangites of his experiences on a submarine and discussed possibility of the causes of the recent Squalus and Thetis disasters at the meeting of the local service

State Expects To Find Funds

Confidence that the Peninsula would not have to wait another two years either for widening of El Camino Real from Redwood City to Palo Alto or for the division of Bayshore Hwy. was expressed Monday by State Sen. Harry L. Parkman of San Mateo.

Parkman told the Tribune in a telephone conversation that he had just talked to Fred J. Grumm, engineer of surveys and plans, and that Grumm had told him the State Highway Commission had high hopes of finding funds in the near future both for the widening project and for the construction of a 16-foot parkway down the center of the Bayshore from San Francisco to Palo Alto.

Although funds have been allotted in the new budget only for purchase of El Camino Real right-of-way, it appears that construction can be started soon, Parkman said.

"Grumm told me that the commission planned to get busy on construction of that project in the near future," Parkman said. He added that Grumm said "he thought they'd find the money some place."

"They are very anxious to go ahead on that project," Parkman explained.

The same applies to the Bayshore widening and division. Funds actually are not on hand, but from some source which Grumm did not elaborate on, the commission hopes to have extra money for construction of these two projects, Parkman said.

"He promised me that if there is any possible chance, the work will be undertaken," Parkman said.

Club Tuesday, Edmund Scott was chairman, T. N. Thompson and Leo Fuller were re-elected members of the board of control.

ELECTRIC COOKING COSTS

1/2 AS MUCH AS YOU THINK!

**NEW FAST 1939
ELECTRIC RANGE**
combines LOW COST,
SPEED, SURE RESULTS

Because electric cooking has so many fine advantages you might think it to be too costly and that you cannot afford it. This is not true today. The new 1939 Electric Ranges puts electricity to work cooking food fast and economically. Electric Rates for cooking in your home have been dropping steadily for many years. Electric Cooking costs about half as much as you think.

Have you guessed
an electric range
is SLOW?

Guess Again. The new 1939 Electric Ranges are as fast or faster than any range you have ever used. Speed Units with variable heats cook all foods with all the speed you will ever care to use.

Have you guessed
that electric
cooking is
DIFFICULT?

Guess Again. Electric ranges simplify cooking because of the miraculous automatic controls. Oven meals almost cook themselves.

Have you guessed
electric cooking is
EXPENSIVE?

Guess Again. Electric Rates for cooking in California are among the very lowest in the country. The average monthly cost for cooking for 42,000 electric range users by the P. G. and E. is \$2.56.

PAINTING OF NEW LIBRARY BEGINS; CITY HALL OPENING SET MONDAY

The new city library was getting its first coat of paint today as workmen hastened their efforts to complete the structure before the end of the contract period June 22. Much interior work remains to be done on the library, and the moving in of books and equipment is not expected to start until after June 22.

Some furniture has been moved into the basement of the library. City Manager Charles L. Dimmitt said, but nothing more will be done until the building is completed. The library on Broadway officially closed its doors for a three-week period yesterday, and when the tending of books is resumed it will be from the new structure.

Contract period for the city hall closes Saturday, June 17, but the contractor may have his job completed before that day, the city manager said. After the contractor turns the building over to the city,

D. M. Weston and Edward Burnett of Southboro, Mass., invented the first milk centrifugal separator in 1789.

Eagles To Push Fingerprinting

A resolution proposed by the Redwood City delegates was adopted by the state convention of the Fraternal Order of Eagles at its

ROY L. DRIGGERS
Eagles' New President

convention in Santa Cruz, members returning home reported to day.

The resolution urged all aeries to assist in promotion of civil fingerprinting campaigns similar to that sponsored by the Redwood City aerie of Eagles.

Another resolution pledged the Eagles to attempt to have the flag salute generally changed so that it doesn't resemble the Nazi salute.

San Jose was chosen as 1940 convention city, and the following officers were elected: Roy Driggers of Porterville, president; A. V. Goeddel of San Diego, vice president; William R. Haggerty of San Francisco, secretary; George Vice of San Francisco, treasurer; LeRoy D. Lunibus of Petaluma, chaplain.

Among the 5000 attending the convention were an estimated 100 members and relatives from Redwood City.

THIEF SENTENCED TO JAIL

William Hopping, 28, a hod carrier, was sentenced to 30 days in the county jail Tuesday by Judge Edward I. McAuliffe after testimony of his brother, Orion, who lives on Redwood Ave., North Fair Oaks, convicted him of stealing a suit of clothes, a banjo and a revolver.

Baccalaureate Sermon Given

Members of the graduating class of Sequoia Union High School received a baccalaureate sermon Sunday night, although they cannot receive the degree for some four years hence. Rev. Schuyler Pratt, Redwood City Episcopal Church, who delivered the sermon, explained to the capped and gownned candidates for high school graduation that they were as well-trained as their forefathers who completed four years in college.

The auditorium of the high school was transformed into a house of worship for the evening, the hymns being sung with organ-like quality by a chorus from the balcony, the stage becoming the pulpit of the dozen churchmen who sponsored the services.

Keynote of the evening was sounded by Rev. R. T. Edgeworth, Baptist pastor, who told the graduating class: "The future is bright because God still lives." Mr. Edgeworth delivered the prayer.

ORCHESTRAL SELECTION
The program opened with a selection by the orchestra, directed by Max L. Gelber, followed by the professional. The congregation sang "True-hearted, Whole-hearted," and heard the invocation by Rev. Eldred J. Clark, Menlo Park Presbyterian Church.

Rev. Victor Lundgren selected the 103rd Psalm as the scripture lesson. The chorus, Otis M. Carrington directing, presented "Lord, for Thy Tender Mercies' Sake" and "Now Thank We All Our God."

PASTORS CO-OPERATE
Rev. Burton N. Palmer, Woodside Congregational Church, delivered the benediction, followed by the recessional, "Praise Ye the Father."

In addition to the pastors taking part in the service, these co-operated in sponsoring it: Rev. Charles E. Fritz, Menlo Park Episcopal; Rev. Thomas Nelson, North Fair Oaks Community; Rev. C. E. Ward, Redwood City Congregational; Rev. J. E. Marozik, Redwood City Lutheran; Rev. William J. Owen, Redwood City Methodist; and Rev. H. J. Loken, San Carlos Community.

Members of the high school orchestra returned from their engagement at Treasure Island yesterday barely in time for the services, according to Gelber. The personnel was augmented by members of the Westbay Symphony. In addition to playing together for the first time, the group faced the added handicap of insufficient lighting.
